EDUCATION

DIPLOMA IN DRAUGHTSMAN CIVIL
Navanews Collage Vadakara, Calicut

HIGHER SECONDARY
Board of Higher Secondary Examination, Kerala, India

SSLC
Board of Public Examination, Kerala, India

CERTIFICATIONS

- Interior Designing – Choice CADD, Vadakara.
- BIM Professional Course – BIM Café, Ernakulam

KEY SKILLS

- Architectural Design Coordination
- Structural Coordination
- High-End Visualizations
- Design Concept Development
- Client Presentations
- Interior Design
- Exterior Design
- Project Documentation
- Team Collaboration
- Problem Solving
- Design Optimization
- Accounts Management
- Sales Coordination
- Sales Growth Analysis
- Market Research
- Project Deadline Management
- Design Accuracy & Quality Control
- Communication Skills
- Time Management
- Multitasking

PROFESSIONAL PROFILE

Experienced Design Engineer with over 2+ years of expertise in creating precise 2D drawings, 3D models and high-end visualizations for construction, interior and exterior projects. Proficient in architectural and structural coordination, with a strong focus on 3D visualization, BIM Modelling and interior design. Demonstrated ability to collaborate across teams, providing innovative design solutions that align with project specifications and client expectations. Contributed to high-profile projects, improving design accuracy, reducing delays and minimizing cost overruns, driving project efficiency and client satisfaction. Seeking new opportunities to leverage skills in 3D visualization, BIM Modelling and architectural design for dynamic and innovative projects.

WORK EXPERIENCE

DESIGN ENGINEER | May 2025 – Present
PERFECT STEP GENERAL CONTRACTING & MAINTENANCE LLC, UAE

Key Responsibilities

- Create accurate 2D drawings and 3D models for active construction and interior projects, ensuring precision and alignment with design specifications.
- Support architectural and structural coordination, assisting in the identification and resolution of design challenges to ensure project feasibility.
- Collaborate with cross-functional teams to meet project deadlines, maintain quality standards, and optimize resources for project execution.
- Contributed to the successful completion of 12 projects, reducing design-related delays by 18% and improving overall project efficiency.
- Enhanced design accuracy, leading to a 20% decrease in post-construction revisions and minimizing cost overruns.

3D DESIGNER | Mar 2024 – Apr 2024
MCN CONSTRUCTION, PAYYOLI, KERALA, INDIA

Key Responsibilities

- Developed detailed 3D models and high-quality visualizations for residential interior and exterior projects, ensuring accuracy and alignment with project specifications.
- Collaborated closely with the design team to create client-ready 3D presentations, translating design concepts into visually compelling representations.
- Provided innovative design solutions based on client feedback and project requirements, ensuring customer satisfaction and project feasibility.
- Delivered 15+ client presentations, resulting in a 25% increase in client approval rates for proposed designs.
- Reduced design revision time by 30% by implementing streamlined workflows and incorporating client feedback more effectively.

ACCOUNTS AND SALES MANAGEMENT
MALABAR GRANITES PAYYOLI, KERALA, INDIA

Key Responsibilities

- Managed end-to-end accounting processes, including invoicing, reconciliation, and financial reporting to ensure accuracy and compliance with organizational policies.
- Oversaw sales operations, driving revenue growth by coordinating with clients, processing orders, and ensuring timely delivery of products.

LANGUAGES

- English
- Malayalam
- Tamil
- Hindi

PERSONAL DETAILS

Date of Birth	: 09/04/2001
Gender	: Male
Nationality	: Indian
Marital Status	: Single
Passport No	: V224206

- Developed and maintained relationships with key clients, identifying new sales opportunities and enhancing customer satisfaction.
- Monitored inventory levels and coordinated with the procurement team to ensure product availability, reducing stockouts and optimizing order fulfillment.
- Prepared financial reports and analyzed sales data to provide insights for business strategy and performance improvement.

TECHNICAL SKILLS

- Design & BIM: Revit Architecture, AutoCAD, SketchUp, Navisworks Manage, BIM 360.
- Rendering & Visualization: Lumion, 3ds Max, D5 Render, Photoshop
- Microsoft Office Suite: Word, Excel, PowerPoint, Outlook
- Google Workspace: Docs, Sheets, Slides, Gmail, Drive

DECLARATION

Hereby declare that all the details mentioned above are in accordance with the truth and fact as per the knowledge and hold the responsibility for the correctness of the above-mentioned particulars.
